APRIL 2004

FROM THE BARON & BARONESS:

Unto the Mighty Barony of Caerthe do Kronos and Catherine send warm greetings

We have recently returned from our travels to Gleann Medonach where we witnessed the crowning of our new Prince and Princess, Sir Giovanni di Sienna and Countess Cainnleach Uiseir of Glendalough.Our congratulations and best wishes go out to them. Our canton of Hawk's Hollow will proudly host their coronation in May, as we also bid a most sorrowful farewell to our beloved King and Queen.

We attended the Friday night newcomer's revel graciously hosted by Lady Damia. We enjoyed meeting new friends and playing Dicing Dragons. Our thanks goes out the THL Roland O'Rourke, Johannes and all of his volunteers. A lot of fun was had by all!! Please join us next month for the newcomers revel and welcome our new members and friends.

After many years of fund raising, Medieval Properties has given us permission to seek out property to be purchased by the Barony and the Kingdom within 2 hours of Caerthe. Please attend the next populace meeting for further details or contact us for further information.

There are many wonderful events coming up please do your best to support as many as your mundane life and pocket book will allow. Let's not forget the days are getting warmer and we know what that means- Camping Season is quickly approaching. Start breaking out your pavillons, sleeping bags, etc and be prepared for full summer of camping events. Because this is were we shine the most and have our most fun.

Yours In Service

Kronos and **Catherine**
Baron **Baroness**

From the Senescal

Unto the Populace of Caerthe, greetings!

Life is finally settling down, just in time for camping season to begin! I would like to thank my deputy, THL Orlathia for running the Populace meeting for the last two meetings while I dealt with mundane affairs. I'll be hard pressed to keep the meetings as short as she did!

Speaking of the Seneschal's office, I will be stepping down as the Seneschal of the Barony of Caethe at the Cornation of Their Majesties, taking place in our own Canton of Hawk's Hollow. It has been a WONDERFUL two years, easily the best of my SCA career, and I'm very sad to go. I am recommending my deputy, THL Orlathia, as my successor. If you have any comments or concerns about her taking over the office of Seneschal please do not hesitate to contact either myself or Their Excellencies. The job of Seneschal is a demanding posistion and would be impossible without the support of the Populace, so I would like to hear all of your comments, positive or negative.

That is really the only thing I have to report this month. Spring is finally here and April is full of fun events both near and far. I plan on attending as many of them as is humanly possible, I hope to see you all there!

THL Robert Marchet
Seneschal

Minister of the Lists

Greetings to the Good Gentles of Caerthe,
It is with great sorrow that I must inform you of my recent move out of the Fair Barony of Caerthe. After much deliberation with Their Excellencies and the Kingdom Minister of Lists, it has been decided that I will remain in office long enough to find a deputy or two and get them trained to replace me. Your duties would include being at the Thursday Night Fighter practices to check authorization and get signed waivers, attend Baronial Events to run the Fighting lists, (again checking authorizations and waiver signing), and to turn in monthly reports to the Kingdom MoL.
Please contact me at my new phone number (303) 833.4549 as soon as possible if you would like to take on this responsibility. I would like to be able to inform Their Excellencies that the Barony has new additions to the Officer Corps at the next Populace meeting.
It has been my pleasure to serve the Greatest Barony of the Outlands, and of the Known World. Please know that we are still Caerthan in heart even if we are not by location.
Yours in Service to the Dream,
Gwenlliana Iohannes
Caerthan Minister of the Lists

The Caerthen Lampworker's Guild:

The Denver Jewelry Academy has kindly offered to allow me the use of a classroom for the Lampworkers Guild twice a month on Wednesday evenings. If you've always wanted to melt a glass rod and turn it into a glass bead but never had a chance, now is the time. The cost per visit will be $5. The first 2 times a person attends a guild meeting, all materials used are free. After that you will need to supply your own MAPP gas ($7.42 per canister at Wal-Mart) and glass.

The lampwork tools used by the Baronial members are the property of Jorunn and are on loan to the lampworkers guild for use by all members. With the exception of largesse donation rules, all beads made by the participant are theirs to keep. Imagine making your own buttons for that Cotehardie you've been putting off. This is the place to learn how!

The associated Naja Jewelry Supply Store is also expanding their business to include lampwork supplies. The will carry the Effetre glass and Hot Head Torches used by the guild members, plus much more. The store closes at 5 during the week, but is open on Saturdays: www.najatools.com for more information.

The Leatherworker's Guild:

The Caerthe leatherworking guild is up and running strong. Currently as a group we have started a project to give to the barony, a new scroll case.

I also leave all of my Wednesdays open to people so if they want to come over to my shop and work on projects (please call ahead). The other days that we will have meetings will be the 12th of April at Tandy Leather, and the next one will be the 26th of April at Forrester's house.

If you have any interest in learning leatherwork at all I highly recommend getting with the guild, there is a large talent pool to learn from.

University of Caerthe

Note: *The University of Caerthe is now meeting at Mountain Keep Hall.*
In April, Lord Guillaume de Gonzac will speak to us on a topic dear to his heart: *The Perfect Courtier*, or *How Does A Period Courtier Fit Into The SCA?* based on Baldesar Castiglione's **Il Cortegiano** ("The Courtier"). Castiglione described a "perfect courtier" in early 16th century Italy, and his work has been studied by social climbers (and social critics) ever since.

What would make a perfect courtier? For the April University of Caerthe, Lord Guillaume will discuss some of the various attributes sought in a courtier, how ladies and gentleman of the court thought about the question, and how it might apply to participants in the SCA.

- We will meet at 7:30 P.M., April 28, the fourth Wednesday of the month, at Mountain Keep Hall, the home of Baroness Judith de Beaumont, 1553 Fillmore Street, Denver, CO 80206. All are encouraged to attend. Period garb is optional, but appreciated. For further information, call Baroness Judith, 303-399-2971, Lord Guillaume, 303-756-7040, or Master Robin Vinehall, 303-444-5004.

Unto the mighty populace of Caerthe, does your Captain of Archers send warm greetings.

Weather permitting, and so long as it does not conflict with a local event, we hope to soon be having some additional Caerthe Archery Practices on Sundays at Scout Park in Northglenn <just as soon as we receive our insurance and City of Northglenn park permit...> Last year we organized a couple of "work parties" to mow the park and to put in berms to assist in retrieving our arrows; and I anticipate that may be necessary again this year. We had plenty of willing helpers last year, for which I again sincerely thank you; and I would remind you that the more help we have, the less labor there is for all involved, so please heed the call when it comes, & try to help us out if you can!
